

Adobe compliance checks · Sales

Adobe Inc. · Standard customer contract review checklist

Runs automatically on Deals · Sales · Run compliance check

1. Liability cap present [HIGH]

Adobe customer contracts must cap liability (standard: 12 months of fees). Add a Limitation of Liability clause

Looks for: limitation of liability; liability cap; liability shall not exceed; aggregate liability

2. Data protection & privacy terms [HIGH]

Include data-protection terms (GDPR/CCPA) covering how customer data is handled, secured, and deleted.

Looks for: data protection; data privacy; personal data; gdpr

3. No unlimited liability [HIGH]

Unlimited liability is not permitted. Replace with a capped liability clause.

Must not contain: unlimited liability; liability shall be unlimited; without any limitation of liability

4. Governing law is California [MEDIUM]

Adobe's standard governing law is the State of California. Update the Governing Law clause.

Looks for: state of california; laws of california; california law; laws of the state of california

5. Confidentiality clause [MEDIUM]

A mutual confidentiality clause is required.

Looks for: confidential; confidentiality; non-disclosure; nondisclosure

6. Payment terms defined [MEDIUM]

State clear payment terms (Adobe standard: Net 30).

Looks for: net 30; net-30; net thirty; payment terms

7. Term & renewal defined [LOW]

Specify the contract term and renewal mechanics.

Looks for: initial term; term of this agreement; renewal; auto-renew
